

Teacher Name: _____

Dear Parents,

Welcome back to the McKinley Swim Program, my name is Ms. Klemm and I am the pool director for this school year. For those of you who have not been a part of our swim program, we have a therapy pool. Which means it is warm so the children can stretch and relax. This is especially special for our children in wheelchairs. We also have a chairlift, so it is easy to get in and out of the water. We also have a ramp leading right into the pool for our students. For those who do not need relaxation they will be learning water safety and skills. We ask that your child try to bring their own suit and towel to swimming to ensure that all students have a suit to swim. (Basketball shorts are not proper swimwear.)

*If you have any swim suits that your child has out grown or you would like to donate we are in need of some more suits for boys and girls of all sizes. We will also take any swim equipment donations (ie: goggles, toys, etc.)

Please sign the permission slip provided.

Thank you,

Stephanie Klemm
